### Kids Great Minds - 3D Modelling and Printing Camp (#@%)

Come and 3D print with us. Campers will fabricate their own 3D objects from start to finish; such as cars, jewelry, minions, robots, small toys and more. Our 3D printer will be on site so kids can see it in action, learning how it works, while printing their own creations. Each participant will be able to print 1 small 3D piece to take home to show off. Note: Additional pieces can be made available at an additional cost.
